

Choose AKM for gas sensing modules, analog audio and magnetic sensor ICs!

- Alcohol and CO2 Sensing Modules
- Audio, Tuner, RF, DAC, Codec, ADC, SRC, DSP
- Hall Effect, Encoder
- Current Sensor
- Compass

Amazing protection for amazing results!

- Automotive and Industrial ESD/EMI Protection Devices
- Transceivers CAN RS485

CoAsia's growth and customer focus prove they are your future LED partner!

- Flexible, Vertically Integrated LED Mfg.
- Automotive Interior/Exterior, Lighting, Appliance, Custom Modules
- SMT, COB, Ledged T-1 3/4
- Tight Color Binning
- Major OEM Tier, WW CM Support

an Asahi Kasei company

Preferred choice for UVC Disinfection from today's Hygienic system manufacturers.

- High Power, Long Life, High Efficiency UVC LED's, Modules & Systems
- UVC Optimal Wavelength of 260-270nm for Air, Water and Surface Disinfection
- High Quality, Low Defect Epitaxial Structures Based on AlN Substrate

CWT knows power supplies and chargers with both wireless and wired designs

- Power Supply PC, IPC, Industrial, Enclosed Switching
- Telecom, Open Frame
- Wireless Charger/Power Bank
- Adapters/USB Charger

DLC-Display Specialist

DLC is the OEM go-to manufacturer for TFT, LCD and cap touch modules for appliance, medical, industrial and automotive applications.

- Standard LCD Glass TN, STN, FTN, DSTN, IPS
- Total Assemblies with Glass, Backlight, Cover Glass and Touch Panel
- Passive Monochrome Graphic and OLED Displays
- Wide Temp and Sunlight Readable
- Custom Backlight and Colors

FUSIONWORLDWIDE

The premier global technology sourcing distributor. Your first call should be to iQuest for any component shortages from your current supply chain.

- Integrated Circuits
- Memory, Storage, Passives
- CPUs, Cards, Networking, Boards
- Computer Products, Peripherals

World-Wide manufacturer of crystals for many private label brands across all markets.

- Crystals: 32.768 Tuning Forks, MHz Seam, AuSn, Glass, High Temp
- Oscillators: 32.768 CXO, MHz, Mini, High Temp, Low Jitter, LVDS, LVPECL, VCXO
- Temp Sensing Crystal, TSX

Go to source for mix signal RF ICs with innovation and dedication leading to brilliance in our customers designs.

- Wifi 802.11n/ac/ax in Networking
- 5G/4G/LTE in Mobile Phones
- AM & FM Receivers in Broadcasting
- Wireless Audio/Video
- SAW Filters
- IOT
- Samsung-ECO Partner

EXPERT IN PASSIVE PARTS

Inductor and magnetic material manufacturer that is focused to help iQuest partners succeed in their first design!

- Coils, Inductors, Beads, Common Mode Chokes, Transformers
- Thermistor, NTC, Cap Pressure Sensor Element, Varistor, ESD Suppressor
- RF Bluetooth, CMMB Antenna, high Pass, Low Pass, Band Pass, Filters, Switches
- Tantalum and Polymer Tantalum Capacitors

iQuest can open the door to manufactured, packaged sensors to ensure your end product exceeds your customers expectations.

- Sensor Modules, Float Switches, Paper Counter
- Magnetic, Temperature, Pressure
- Automotive, Industrial, Medical, Whitegoods

iQuest knows when you need high reliability memory storage and contract manufacturing, you can rely on Unigen!

- Storage: M.2 U.2 SATA SSD, CF, CFAST. SD, USB Flash, eUSB, and More
- DRAM: DDR4 EEC and Non EEC, SODIMM, RDIMM, LRDIMM, DDR3 through DDR2
- Contract Manufacturing
